

How to Verify your Identity with ID.me

ID.me offers a simple and secure way to prove you are who you say you are, while online. You only need to complete verification once – after this, you may simply sign in with your ID.me credential wherever you see ID.me's green button, similar to how you'd show someone your driver's license in-person. ID.me is federally certified to verify your identity.

What You Will Need:

- 🔒 Mobile Phone or Computer with Camera
- 🔒 Email Address
- 🔒 Government Issued ID: Driver's License, Passport, Passport Card, or State ID Card
- 🔒 Telephone Number

How it works:

Step 1: Sign Up/Sign In

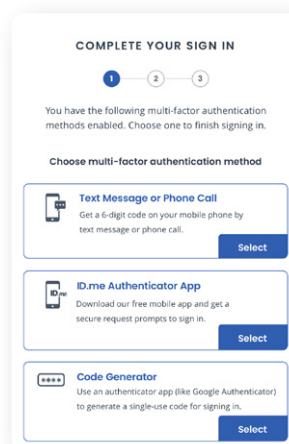

- 🔒 Create your ID.me account or, If you already have an ID.me account, simply sign in using your pre-existing ID.me credentials
 - If the user already has an ID.me account and is verified to the necessary standard, they are considered Pre-verified and moved to Step 8. Otherwise, the applicant moves to Step 2.

Step 2: Confirm Email

- 🔒 Check your inbox for an email from ID.me and confirm your email address

Step 3: Secure Account

- 🔒 Protect your ID.me account with Multi-Factor Authentication. Receive a passcode via text message or phone call or one of the other listed methods

Step 4

VERIFY YOUR IDENTITY

There are several options for you to verify your identity and this process only takes a few minutes. You'll only need to verify your identity once.

We'll need your permission to use details from your credit profile and other public sources to verify your identity. Don't worry this won't affect your credit score.
