

As a financial professional, can I see my current book of business using the mobile app?

My Security Benefit app

If you have a personal mutual fund retirement account with Security Benefit (such as a 401(k) or IRA), you will have access to the view your account information on the mobile app. However, if you need to view your book of business for your practice, please continue to sign in to [SecurityBenefit.com](https://www.SecurityBenefit.com).
