Annuities are long-term investments, suitable for retirement investing. The investment return and principal value of an investment in a variable annuity will fluctuate and you may have a gain or loss at redemption. Guarantees provided by annuities are subject to the financial strength of the issuing insurance company. Annuities are not FDIC or NCUA/NCUSIF insured; are not obligations or deposits of, and are not guaranteed or underwritten by any bank, savings and loan or credit union or its affiliates; are unrelated to and not a condition of the provision or term of any banking service or activity.

The Variflex Variable Annuity, form V6023, is a flexible purchase payment deferred variable annuity issued by **Security Benefit Life Insurance Company (SBL)** and distributed by **Security Distributors**, a subsidiary of SBL. SBL is a subsidiary of Security Benefit Corporation (Security Benefit).
